BLOWER STANDS FOR 3008300-3008301-3008303

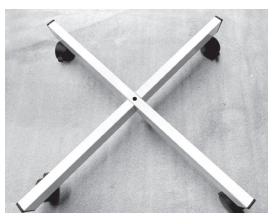

CONTENTS

- 2 base legs
- 1 central support
- 1 white washer
- 2 tubes
- Screws and fittings
- 1 blower holder

1. PREPARE THE BASE LEGS

- Take the 2 base legs and place them crosswise on top of each other.
- The two base legs must fit into each other.

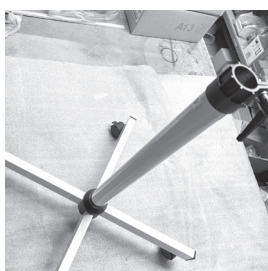

2. ASSEMBLE THE CENTRAL FIXING

- Place the white washer on top of the base legs.
- Place the black plastic support over the washer.
- Insert the screw and the stainless-steel washer underneath the base leg.

3. INSTALL THE FIRST TUBE

- Insert the first white support tube, with the tightening knob facing upwards.
- Tighten the screw that was inserted underneath the base legs in the previous step.

4. INSTALL THE SECOND TUBE

- Loosen the tightening knob.
- Insert the second stainless-steel tube.
- Tighten the knob again once the tube has been inserted.

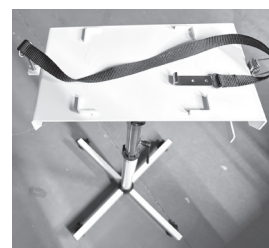

5. ATTACH THE HOLDER

- Take the tightening knob and the holdert.
- Slide the holder onto the tube.
- Secure the holder by tightening the knob.

6. ATTACH THE STRAP

- Attach the strap to the holder.
- Secure it by tightening the screw and nut.

ASSEMBLY COMPLETE

IMPORTANT

Check that all screws and tightening knobs are properly tightened before using the stand with the blower.

FINAL ASSEMBLY WITH BLOWER INSTALLED

The attached photo shows the stand with the blower installed.
